If the City exercises its right to obtain ownership or possession of solid waste placed for collection, the City waves the CPI restraint specified in section 6.4.2.

6.1 General

The Company Compensation provided for in this Article shall be the full, entire and complete compensation due to the Company pursuant to this Agreement for all labor, equipment, materials and supplies, taxes, insurance, bonds, overhead, Disposal, transfer, profit and all other things necessary to perform all the services required and reasonably anticipated by this Agreement in the manner and at the times prescribed.

The Company will perform the responsibilities and duties described in this Agreement in consideration of the right to receive compensation for services rendered at maximum rates fixed by the City from time-to-time. The City and the Company agree that the Company will retain any proceeds from the sale of recyclable materials.

6.2 Initial Rates

The rates for the two Rate Years ending December 31, 2001 shall not exceed those set forth in Exhibit 4, unless amended by a written amendment to this Agreement entered into by and between the City and the Company. Unless and until the maximum rates set forth on Exhibit 4 are adjusted, the Company will provide the services required by this Agreement, charging no more than the maximum rates authorized by Exhibit 4, except as provided herein and in Section 6.3.

6.3 Schedule of Future Adjustments

Beginning with Rate Year 3 (January 1, 2002 to December 31, 2002) and for all subsequent Rate Years, the Company may request an annual adjustment to the maximum rates shown in Exhibit 4. The Company shall submit its request in writing, to be received by the City in person or via certified mail, by October 1 of the same year based on the method of adjustment described in Section 6.4. Failure to submit a written request by October 1, shall result in the Company waiving the right to request such an increase for the subsequent year.

6.4 Method of Adjustments

6.4.1 General

Pursuant to Section 6.3, the Company may request an annual adjustment to the maximum rates according to the method described below and the formulas shown in Exhibits 5A, 5B, and 5C, subject to review and approval of the City. All future adjustments are to be effective January 1, and shall be based on the rates in Exhibit 4.

If the Company owns or operates the Disposal Site, or the Disposal Site is owned or operated by an Affiliate of the Company, the adjustment to the disposal component of the rates shall be limited to the change in the PPI with the exception of changes in tipping fees resulting from changes in fees, taxes, or surcharges levied by governmental or regulatory agencies.

6.4.2 Single Family Dwelling Unit and Commercial and Industrial Property Customers

Maximum rates for Single Family Dwelling Unit and Commercial and Industrial Property Customers shall be adjusted according to the following procedures and the example calculations shown in Exhibits 5A and 5B.

Step One - Determine the rate revenue net of Franchise Fees by deducting the Franchise Fee portion from actual gross rate revenues for the twelve month period ending on the most recent June 30th.

Step Two - Determine the proportionate share of the disposal component and the service component of the rate revenue net of franchise fees.

Step Three - Calculate the percentage change in the Producer Price Index (PPI), and the percent change in the refuse disposal tipping fee per ton. The change in the PPI shall be for the twelve month period ending on the most recent June 30. The change in the refuse disposal tipping fee shall be based on the change between the most recent tipping fee on which rates are based and the new tipping fee; provided, however that the cumulative change in the tip fee over the term shall not exceed the change in the national Consumer Price Index (All Urban Consumers for the Los Angeles-Anaheim-Riverside Area). This Company guarantee excludes any unforeseen government mandated fees or extraordinary cost elements over the life of this Agreement.

Step Four – Calculate the weighted percent change in maximum rates by:

- 1) Multiplying the refuse disposal component as a percent of rate revenue net of franchise fees by the percent change in the refuse disposal tipping fee;
- 2) Multiplying the service component as a percent of rate revenue net of franchise fees by the percent change in the PPI; and,
- 3) Adding the results of 1), and 2) above to determine the weighted percent change in rates.

Step Five – Multiply one plus the weighted percent change in maximum rates by the then existing maximum rates to derive the newly adjusted maximum rates.

In the event that the current percentage change in the PPI is negative, the existing rates shall not be then adjusted downward as a result. Instead, the rate adjustment shall be held in abeyance until the PPI increases in the future to the extent that the cumulative change in the PPI since the last periodic rate adjustment is positive. At that time, the service component of the rates shall be adjusted based on the cumulative percentage change in the PPI since the last periodic rate adjustment

6.4.3 Rolloff

Maximum load charges, delivery charges, and overweight charges for rolloff customers shall be adjusted according to the following procedures and the example calculations shown in Exhibit 5C.

Step One – Calculate the percent change in the PPI for the twelve month period for the most recent twelve months ending on the most recent June 30.

Step Two – Multiply one plus the percent change in PPI by the then existing maximum rates to derive the newly adjusted rolloff rates.

In the event that the current percentage change in the PPI is negative, the existing rates shall not be then adjusted downward as a result. Instead, the rate adjustment shall be held in abeyance until the PPI increases in the future to the extent that the cumulative change in the PPI since the last periodic rate adjustment is positive. At that time, the service component of the rates shall be adjusted based on the cumulative percentage change in the PPI since the last periodic rate adjustment.

6.5 Extraordinary Adjustments

The Company or the City may request an adjustment to rates at reasonable times other than that required in Section 6.3 for unusual changes in the cost of providing service under this Agreement. Such changes may include changes in components of the Gate Rate, changes in the Disposal Site requested by the City, and changes in State or local government solid waste fees and charges. Such changes shall not include changes in the market value of Recyclables from the values assumed in the Company's proposal, or inaccurate estimates by the Company of its proposed cost of operations. For each such request, the Company shall prepare a schedule documenting the extraordinary costs. Such request shall be prepared in a form acceptable to the City with support for assumptions made by the Company in preparing the estimate. The City shall review the Company's request and, in the City's sole judgment, make the final determination on the appropriate amount of the adjustment if any.

6.6 Supporting Information

In the event that Company requests a rate adjustment on the basis of unusual changes or extraordinary increases or costs of doing business, the Company shall make its financial records available for review and inspection by those of City's employees and designated auditors or accountants necessary to analyze Company's request for the rate adjustment as described herein. Any such inspection of records shall be at company's offices, in the presence of Company's representatives, and at reasonable times. Copies of all records reviewed and inspected shall be made, at company's expense, and shall be sealed in appropriate containers for storage and safe keeping. At the time of sealing of the container a City employee and not less than one of City's auditors or accountants, shall mark the container in such a manner to assure that the contents thereof are not tampered with without the knowledge of the City or its representatives. The sealed documents shall then be secured and maintained by Company, at its sole cost and expense, for a period of not less than three (3) years following the termination of this Agreement, or any extensions thereof. City may access these records only in any of the following events: (1) with Company's consent; (2) as part of discovery in litigation involving City and/or Company (but only with an agreed upon protective order); or (3) upon court order. Any evaluation of records reviewed or inspected by City or its authorized auditors or accountants shall be in accordance with Section 8.3.4, herein, except that City shall be responsible for the cost of

hereof, City agrees that it shall use its best efforts to maintain the confidential nature of any and all records, reports or other writings prepared by or for EDCO, and provided to City, its employees or its authorized auditors or accountants, and shall consider such records, reports or writings to be records exempt from disclosure under the provisions of the California Public Records Act (California Government Code Sections 6250 et seq.) (the Public Records Act”), including but not limited to subdivision (k) of Section 6254 of the Public Records Act. Further, it is the intent of the parties to protect Company’s proprietary, confidential information and/or trade secrets by not disclosing to the general public the specifics of such information and/or trade secrets in any records, reports or other writings prepared by City, its employees or its authorized auditors for review by the City Council necessary for the review and effectuation of this Section and/or the Agreement. City agrees that the first page of any records, reports or other writings prepared by City, its employees or its authorized auditors or accountants which includes the specifics of such information and/or trade secrets, shall be clearly marked with the following legend: “Confidential, Proprietary - Notify EDCO of any public records requests for this document.” Nothing herein shall require the City to waive any right to act in a manner it feels reasonably necessary to avoid an award of attorneys’ fees and costs under 6259 of the Public Records Act.

6.7 Grants

From time to time, Federal, State, or local agencies including the City may provide to the Company grants to assist in financing qualified programs provided by the Company. The Company agrees that the Company Compensation, calculated as described in Sections 6.2 through 6.5, shall be reduced by the amount of any such grant. The City Council shall determine whether the reduction in the Company Compensation shall be: (1) passed through to those Customers designated by the City as a reduction to their rates; (2) as an offset to a rate increase calculated in accordance with Sections 6.2 through 6.5; (3) paid to the City for use as the City directs; or, (4) applied in any combination of (1) through (3).

6.8 Senior Citizen Discount

The Company shall provide a twenty percent (20%) rate discount to Single Family Dwelling Unit Customers who are: 1) 62 years of age or over, 2) considered "head of household" for income tax purposes, and, 3) have a total family annual income of under \$14,450. The discount shall be provided regardless of cart size. The Company shall include a description of the senior citizen discount rate in its annual notice to customers described in Section 5.1.1. The Company shall be responsible for administering the senior citizen discount rate program and for determining whether a Customer qualifies for the senior citizen discount rate. In the event that a Customer disputes the Company's determination, the City Manager or his designee will decide whether the Customer qualifies for the senior citizen discount, and his decision will be final.

The Company shall maintain data retention and preservation systems which can establish where Solid Waste Collected in the City was landfilled (and therefore establish where it was not landfilled) and provide a copy of the reports required in Section 8.3 for five (5) years after the term during which Collection services are to be provided pursuant to this Agreement, or to provide copies of such records to the City. The foregoing indemnity shall apply regardless of whether such loss, liability, penalty, forfeiture, claim, demand, action, proceeding, suit, injury, death or damage is also caused in part by any of the Indemnitees negligence, but shall not extend to matters resulting from the Indemnitees sole or active negligence, willful misconduct or breach of this Agreement. The Company further agrees to and shall, upon demand of the City, at the Company's sole cost and expense, defend (with attorneys acceptable to the City) the Indemnitees against any claims, actions, suits in law or equity or other proceedings, whether judicial, quasi-judicial or administrative in nature, arising or resulting from any of the aforementioned events.

The Company, upon demand of the City, made by and through the City Attorney, shall protect the City and appear in and defend the Indemnitees, in any claims or actions by third parties, whether judicial, administrative or otherwise, including, but not limited to disputes and litigation over the definitions of "Solid Waste" or "Recyclable Material" or

the limits of the City's authority with respect to the grant of licenses, or agreements, exclusive or otherwise, asserting rights under the Dormant Commerce Clause or federal or state laws to provide Solid Waste services in the City. This provision shall survive the expiration of the period during which Collection services are to be provided under this Agreement. The City and the Company agree to confer following any trial to decide jointly whether to appeal or to oppose any appeal. In the event the City and the Company jointly agree to appeal, or to oppose any appeal, the City and the Company agree to share equally the costs of appeals. Should either the City or the Company decide to appeal, or to oppose an appeal, and the other decide not to appeal, or to oppose an appeal, the party which decides to appeal, or to oppose an appeal, shall bear all fees and costs of the appeal or the opposition to the appeal.

The Company's duty to indemnify and defend from the aforementioned events arising during the Term of the Agreement and as it may be extended shall survive the expiration or earlier termination of this Agreement.

The

foregoing indemnity is intended to operate as an agreement pursuant to §107(e) of the Comprehensive Environmental Response, Compensation and Liability Act, CERCLA, 42 USC. §9607(e) and California Health and Safety Code §25364, to defend, protect, hold harmless, and indemnify the Indemnitees from liability. This provision is in addition to all other provisions in this Agreement and shall survive the end of the term of this Agreement. The foregoing applies only to facilities owned or operated by the Company or its Affiliates or any facility that the Company selects for Disposal of Solid Waste Collected pursuant to this Agreement.

With respect to Solid Waste collected by the Company pursuant to this Agreement which has been Disposed of at places not owned or operated by the Company, (1) the Company may cause the Owner or operator of the alternate Facility to deliver a Hazardous Substances Indemnification in a form satisfactory to the City or (2) the Company may provide Hazardous Substances indemnification, as provided above, or any combination of indemnification by the alternate Facility and a Company indemnification. Upon delivery and during the effective period of the Hazardous Substances Indemnification by an alternate Facility, such Facility shall be considered an "Indemnifying Alternative Facility."

9.3 AB 939 Indemnification

The Company agrees to indemnify and hold harmless the City from and against all fines and/or penalties imposed by the California Integrated Waste Management Board in the event the source reduction and Recycling goals or any other requirement of AB 939 are not met by the City with respect to the waste stream Collected under this Agreement. The Company's indemnification of the City shall be subject to all of the following restrictions:

- (1) The Company's obligation to indemnify the City shall not be enforceable if the Board imposed penalty is based solely upon the failure of the City to establish and maintain a source reduction and recycling element pursuant to section 41000 et. seq., of the Public Resources Code.
- (2) Any Board imposed penalty based upon the City's failure to meet the solid waste diversion requirements imposed by Section 41780 et. seq., of the Public Resources Code resulting in whole or in part from the Company's breach of contract or noncompliance with any other authorization, shall be apportioned in accordance with the percentage of fault of the City and the Company. Further, the Company

shall not be liable for the indemnity obligation to the extent that the Company's breach or noncompliance resulted from the action or failure to act of the City.

- (3) No payment required or imposed pursuant to the Company's obligation to indemnify the City may exceed that portion of any penalty assessed by the Board against the City that was caused by the Company's breach or noncompliance of an express obligation or requirement.

D. Other Insurance Provisions. The policies are to contain, or be endorsed to contain, the following provisions:

1. **General Liability and Automobile Liability Coverages**
 - a) The Indemnitees are to be named as additional insureds as respects: liability arising out of activities performed by or on behalf of the Company; products and completed operations of the Company; Premises owned, leased or used by the Company; or vehicles owned, leased, hired or borrowed by the Company. The coverage shall contain no special limitations on the scope of protection afforded to the City, its elective and appointive boards, commissions, officials, employees, agents or volunteers.
 - b) The Company's insurance coverage shall be primary insurance as respects the Indemnitees. Any insurance or self-insurance maintained by the City, its officials, elective and appointive boards, commissions, employees, agents or volunteers shall be excess of the Company's insurance and shall not contribute with it.
 - c) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the Indemnitees.
 - d) Coverage shall state that the Company's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

2. **Workers' Compensation and Employers Liability Coverage** - The insurer shall agree to waive all rights of subrogation against the Indemnitees for losses arising from work performed by the Company for the City.
3. **All Coverages** - Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

E. Acceptability of Insurers. The insurance policies required by this Section shall be issued by an insurance company or companies authorized to do business in the State of California and with a rating in the most recent edition of Best's Insurance Reports of size category VII or larger and a rating classification of A or better.

F. Verification of Coverage. The Company shall furnish the City with certificates of insurance and with original endorsements affecting coverage required by this clause. The certificates and endorsements for each insurance policy are to be signed by a Person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to the City and are to be received and approved by the City before work commences. The City reserves the right to require complete, certified copies of all required insurance policies, at any time.

G. Companies and Subcontractors. The Company shall include all Companies and Subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each the Company and Subcontractor. All coverages for Companies and Subcontractors shall be subject to all of the requirements stated herein.

H. Required Endorsements

1. The Workers' Compensation policy shall contain an endorsement in substantially the following form:

"Thirty (30) days prior written notice by certified mail, return receipt requested, shall be given to the City in the event of cancellation, reduction in coverage, or non-renewal of this policy. Such notice shall be sent to:

2. The Public Liability policy shall contain endorsements in substantially the following form:

- a) "Thirty (30) days prior written notice shall be given to the City in the event of cancellation, reduction in coverage, or non-renewal of this policy. Such notice shall be sent to:

City Manager
City of Imperial Beach
825 Imperial Beach Boulevard
Imperial Beach, CA 91932

- b) "The City, its officers, elective and appointive boards, commissions, employees, and agents are additional insureds on this policy."
- c) "This policy shall be considered primary insurance as respects any other valid and collectible insurance maintained by the City, including any self-insured retention or program of self-insurance, and any other such insurance shall be considered excess insurance only."
- d) "Inclusion of the City as an insured shall not affect the City's rights as respects any claim, demand, suit or judgment brought or recovered against the Company. This policy shall protect the Company and the City in the same manner as though a separate policy had been issued to each, but this shall not operate to increase the Company's liability as set forth in the policy beyond the amount shown or to which the Company would have been liable if only one party had been named as an insured."

I. Delivery of Proof of Coverage. Simultaneously with the execution of this Agreement, the Company shall furnish the City certificates of each policy of insurance required hereunder, in form and substance satisfactory to the City. Such certificates shall show the type and amount of coverage, effective dates and dates of expiration of

policies and shall have all required endorsements. If the City requests, copies of each policy, together with all endorsements, shall also be promptly delivered to the City.

Renewal certificates will be furnished periodically to the City to demonstrate maintenance of the required coverage throughout the Term.

J. Other Insurance Requirements

1. In the event any services are delegated to a Company or Subcontractor, the Company shall require such the Company or Subcontractor to provide statutory workers' compensation insurance and employer's liability insurance for all of the Company or Subcontractor's employees engaged in the work in accordance with this Section 9.4. The liability insurance required by this Section 9.4 shall cover all the Company or Subcontractors or the Company or Subcontractor must furnish evidence of insurance provided by it meeting all of the requirements of this Section 9.4.
2. The Company shall comply with all requirements of the insurers issuing policies. The carrying of insurance shall not relieve the Company from any obligation under this Agreement. If any claim exceeding the amount of any deductibles or self-insured reserves is made by any third Person against the Company or any Company or Subcontractor on account of any occurrence related to this Agreement, the Company shall promptly report the facts in writing to the insurance carrier and to the City.

If the Company fails to procure and maintain any insurance required by this Agreement, the City may take out and maintain, at the Company's expense, such insurance as it may deem proper and deduct the cost thereof from any moneys due the Company.

9.5 Faithful Performance Bond

Concurrently with execution of this Agreement, the Company shall deliver to the City a performance bond, from an admitted surety insurer, in the amount of Five Hundred Thousand Dollars (\$500,000), similar to the form provided in Exhibit 7, which secures the faithful performance of this Agreement, including, without limitation, payment of any penalty and the funding of any work to cure a breach of this Agreement. The bond

shall contain the original notarized signature of an authorized officer of the surety and affixed thereto shall be a certified and current copy of his power of attorney. The bond shall be unconditional and remain in force during the entire term of the Agreement and shall be null and void at the conclusion of the term of this Agreement only if the Company promptly and faithfully performs all terms and conditions of this Agreement.

9.6 Forfeiture of Performance Bond

9.6.1 Partial Forfeiture

In the event the Company shall for any reason become unable to, or fail in any way to, perform as required by this Agreement, the City may declare a portion of the performance bond which is necessary to recompense and make whole the City, forfeited to the City. Upon partial forfeiture of the performance bond, the Company shall restore the performance bond to its face amount within 30 days of the City's declaration.

9.6.2 Full Forfeiture

In the event the Company shall for any reason become unable to, or fail in any way to, perform as required by this Agreement, and the City determines to terminate this Agreement, as provided for, the full amount of the performance bond established pursuant to Section 9.5 shall forfeit to the City.

ARTICLE 10

CITY'S RIGHT TO PERFORM SERVICE

10.1 General

In addition to, but not in lieu of, any other rights or remedies City might have under this Agreement, at law or in equity, in the event that the Company, for any reason whatsoever, fails, refuses or is unable to Collect, Recycle, process, transport or dispose of any or all Solid Waste which it is required by this Agreement, at the time and in the manner provided in this Agreement, for a period of more than forty-eight (48) hours, and if, as a result thereof, Solid Waste should accumulate in the City to such an extent, in such a manner, or for such a time that the City should find that such accumulation endangers or menaces the public health, safety or welfare, then the City shall have the right, but not the obligation, upon notice to the Company during the period of such emergency as determined by the City, as hereinafter set forth, (1) to perform, or cause to be performed, such services itself with its own or other personnel without liability to the Company; and/or (2) to take possession of any or all of the Company's land, equipment and other property used or useful in the Collection and transportation of Solid Waste, and to use such property to Collect and transport any Solid Waste generated within the City which the Company would otherwise be obligated to Collect, transport and properly dispose of or process pursuant to this Agreement.

Notice of the Company's failure, refusal or neglect to Collect, transport and properly dispose of or process Solid Waste may be given orally by telephone to the Company at its principal office and shall be effective immediately. Written confirmation of such oral notification shall be sent to the Company within twenty-four (24) hours of the oral notification.

The Company further agrees that in such event:

- A. It will take direction from the City to effect the transfer of possession of equipment and property to the City for the City's use.
- B. It will, if the City so requests, keep in good repair and condition all of such equipment and property, provide all motor vehicles with fuel, oil and other service, and

provide such other service as may be necessary to maintain said property in operational condition.

C. The City may immediately engage all or any personnel necessary or useful for the collection and transportation of Solid Waste, including, if the City so desires, employees previously or then employed by the Company. The Company further agrees, if the City so requests, to furnish the City the services of any or all management or office Personnel employed by the Company whose services are necessary or useful for Solid Waste Collection, transportation, processing and disposal operations and for the billing and Collection of fees for these services.

The City agrees that it assumes complete responsibility for the proper and normal use of such equipment and facilities while in its possession.

If the interruption or discontinuance in service is caused by any of the reasons listed in Section 11.4, the City shall pay to the Company the reasonable rental value of the equipment and facilities, possession of which is taken by the City, for the period of the City's possession, if any, which extends beyond the period of time for which the Company has rendered bills in advance of service, for the class of service involved.

10.2 Temporary Possession of the Company's Property

If the City suffers an interruption or discontinuance of service (including interruptions and discontinuance due to events described in Section 11.4), the City may take possession of and use all of the Company's property described above until other suitable arrangements can be made for the provision of Solid Waste Services which may include the grant of a Franchise to another waste hauling company.

10.3 Billing and Compensation to the City During the City's Possession

During such time that the City is providing Solid Waste services, as above provided, the Company shall bill and Collect payment from all users of the above-mentioned services as described in Section 5.1. The Company further agrees that, in such event, it shall reimburse the City for any and all costs and expenses incurred by the City beyond that billed and received by the City in taking over possession of the above-mentioned equipment and property for Solid Waste service in such manner and to an extent as would otherwise be required of the Company under the Terms of this Agreement. Such

reimbursement shall be made from time to time after submission by the City to the Company of each statement listing such costs and expenses, but in no event later than five (5) working days from and after each such submission.

10.4 City's Right to Relinquish Possession

It is further mutually agreed that the City may at any time at its discretion relinquish possession of any or all of the above-mentioned property to the Company and thereupon demand that the Company resume the Solid Waste services as provided in this Agreement, whereupon the Company shall be bound to resume the same.

10.5 City's Possession Not A Taking

Except as otherwise expressly provided in the previous paragraph, the City's exercise of its rights under this Article 10 (1) does not constitute a taking of private property for which compensation must be paid; (2) will not create any liability on the part of the City to the Company; and (3) does not exempt the Company from the indemnity provisions of Article 9, which are meant to extend to circumstances arising under this Section, provided that the Company is not required to indemnify the City against claims and damages arising from the sole negligence of the City, its elective and appointive boards, commissions, officers, employees and agents in the operation of Collection vehicles during the time the City has taken possession of such vehicles.

10.6 Duration of the City's Possession

The City's right pursuant to this Article to retain temporary possession of the Company's facilities and equipment, and to render Collection services, shall terminate when the City determines that such services can be resumed by the Company, or when the City no longer reasonably requires such property or equipment. In any case, the City has no obligation to maintain possession of the Company's property or equipment and/or continue its use for any period of time and may at any time, in its sole discretion, relinquish possession to the Company.

ARTICLE 11

DEFAULT, REMEDIES AND LIQUIDATED DAMAGES

11.1 Events of Default

All provisions of the Franchise and this Agreement to be performed by the Company are considered material. Each of the following shall constitute an event of default.

A. Fraud or Deceit. If the Company practices, or attempts to practice, any fraud or deceit upon the City.

B. Insolvency or Bankruptcy. If the Company becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of the Company in a bankruptcy proceeding.

C. Failure to Maintain Coverage. If the Company fails to provide or maintain in full force and effect the Workers' Compensation, liability, or indemnification coverage as required by this Agreement.

D. Violations of Regulation. If the Company violates any orders or filings of any regulatory body having jurisdiction over the Company relative to this Agreement, provided that the Company may contest any such orders or filings by appropriate proceedings conducted in good faith, in which case no breach of the Franchise and this Agreement shall be deemed to have occurred.

E. Failure to Perform. If the Company ceases to provide Collection, processing or Recycling services as required under this Agreement for a period of two (2) consecutive days or more, for any reason within the control of the Company, including labor disputes.

F. Failure to Pay. If the Company fails to make any payments required under this Agreement and/or refuses to provide the City, within ten (10) days of the demand therefor, with required information, reports, and/or records in a timely manner as provided for in the Agreement.

G. Acts or Omissions. Any other act or omission by the Company which violates the terms, conditions, or requirements of this Agreement, the California Integrated Waste Management Act of 1989, as it may be amended from time to time, or any law, statute, ordinance, order, directive, rule, or regulation issued thereunder and which is not corrected or remedied within the time set in the written notice of the violation or, if the Company cannot reasonably correct or remedy the breach within the time set forth in such notice, if the Company should fail to commence to correct or remedy such violation within the time set forth in such notice and diligently effect such correction or remedy thereafter.

H. False or Misleading Statements. Any representation or disclosure made to the City by the Company in connection with or as an inducement to entering into this Agreement, or any future amendment to this Agreement, which proves to be false or misleading in any material respect as of the time such representation or disclosure is made, whether or not any such representation or disclosure appears as part of this Agreement.

I. Attachment. There is a seizure of, attachment of, or levy on, the operating equipment of the Company, including without limits its equipment, maintenance or office facilities, or any part thereof.

J. Suspension or Termination of Service. There is any termination or suspension of the transaction of business by the Company, including without limit, due to labor unrest including strike, work stoppage or slowdown, sick-out, picketing, or other concerted job action lasting more than two (2) consecutive days.

K. Failure to Provide Assurance of Performance. If the Company fails to provide reasonable assurances of performance as required under Section 11.6.

The Company shall be given forty-eight (48) hours from notification by the City to cure any default arising under subsections E, F, I, J and K provided, however, that the City shall not be obligated to provide the Company with a notice and cure opportunity if the Company has committed the same or similar breach within a twenty-four month period.

11.2 Right to Terminate Upon Default

Upon a default by the Company, the City shall have the right to terminate this Franchise and this Agreement upon a ten (10) days notice if the public health or safety is threatened, or otherwise a thirty (30) days notice, but without the need for any hearing, suit or legal action.

The City's rights to terminate this Agreement, or to take possession of the Company's Facility are not exclusive, and the City's termination of this Agreement shall not constitute an election of remedies. Instead, they shall be in addition to any and all other legal and equitable rights and remedies which the City may have.

By virtue of the nature of this Agreement, the urgency of timely continuous and high-quality service, the time required to effect alternative service, and the rights granted by the City to the Company, the remedy of damages for a breach hereof by the Company is inadequate and the City shall be entitled in injunctive relief.

11.3 Liquidated Damages

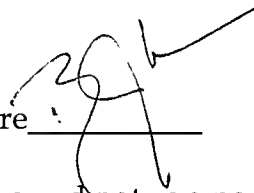

A. General. The City finds, and the Company agrees, that as of the time of the execution of this Agreement, it is impractical, if not impossible, to reasonably ascertain the extent of damages which shall be incurred by the City as a result of a breach by the Company of its obligations under this Agreement. The factors relating to the impracticability of ascertaining damages include, but are not limited to, the fact that: (i) substantial damage results to members of the public who are denied services or denied quality or reliable service; (ii) such breaches cause inconvenience, anxiety, frustration, and deprivation of the benefits of the Agreement to individual members of the general public for whose benefit this Agreement exists, in subjective ways and in varying degrees of intensity which are incapable of measurement in precise monetary terms; (iii) that Franchised services might be available at substantially lower costs than alternative services and the monetary loss resulting from denial of services or denial of quality or reliable services is impossible to calculate in precise monetary terms; and (iv) the termination of this Agreement for such breaches, and other remedies are, at best, a means of future correction and not remedies which make the public whole for past breaches.

B. Service Performance Standards; Liquidated Damages for Failure to Meet Standards. The parties further acknowledge that consistent, reliable Solid Waste Collection service is of utmost importance to the City and that the City has considered and relied on the Company's representations as to its quality of service commitment in awarding the Franchise to it. The parties further recognize that some quantified standards of performance are necessary and appropriate to ensure consistent and reliable service and performance. The parties further recognize that if the Company fails to achieve the performance standards, or fails to submit required documents in a timely manner, the City and its residents will suffer damages and that it is and will be impractical and extremely difficult to ascertain and determine the exact amount of damages which the City will suffer. Therefore, without prejudice to the City's right to treat such non-performance as an event of default under this Article 11, the parties agree that the following liquidated damage amounts represent a reasonable estimate of the amount of such damages considering all of the circumstances existing on the date of this Agreement, including the relationship of the sums to the range of harm to the City that reasonably could be anticipated and the anticipation that proof of actual damages would be costly or impractical. In placing their initials at the places provided, each party specifically confirms the accuracy of the statements made above and the fact that each party has had ample opportunity to consult with legal counsel and obtain an explanation of the liquidated damage provisions at the time that the Agreement was made.

Liquidated damages will only be assessed after the Company has been given the opportunity but failed to rectify the damages as described in this Agreement.

The City may determine the occurrence of events giving rise to liquidated damages through the observation of its own employees or representative or investigation of customer complaints.

Prior to assessing liquidated damages, the City shall give the Company notice of its intention to do so. The notice will include a brief description of the incident(s)/non-performance. The Company may review (and make copies at its own expense) all non-confidential information in the possession of the City relating to incident(s)/non-performance. The Company may, within ten (10) days after receiving the notice, request a meeting with the City Manager or his or her designee. The Company may present evidence in writing and through testimony of its employees and others relevant to the incident(s)/non-performance. The City Manager or his or her designee will provide the Company with a written explanation of his or her determination on each incident(s)/non-performance prior to authorizing the assessment of liquidated damages. The decision of the City Manager or his designee shall be final.

C. Amount. The City may assess liquidated damages for each calendar day or event, as appropriate, that the Company is determined to be liable in accordance with this Agreement.

D. Timing of Payment. The Company shall pay any liquidated damages assessed by the City within ten (10) days after they are assessed. If they are not paid within the ten (10) day period, the City may proceed against the performance bond required by the Agreement or order the termination of the Franchise granted by this Agreement, or exercise any other right or remedy available to City under this Agreement or at law or in equity, or any combination of these remedies.

11.4 Excuse from Performance

The parties shall be excused from performing their respective obligations hereunder in the event they are prevented from so performing by reason of floods, earthquakes, other natural disasters, war, civil insurrection, riots, acts of any government (including judicial action), and other similar catastrophic events which are beyond the control of and not the fault of the party claiming excuse from performance hereunder. Labor unrest, including but not limited to strike, work stoppage or slowdown, sick-out, picketing, or other concerted job action conducted by the Company's employees or

directed at the Company is not an excuse from performance and the Company shall be obligated to continue to provide service notwithstanding the occurrence of any or all of such events.

The party claiming excuse from performance shall, within two (2) days after such party has notice of such cause, give the other party notice of the facts constituting such cause and asserting its claim to excuse under this Section.

The interruption or discontinuance of the Company's services caused by one or more of the events excused shall not constitute a default by the Company under this Agreement. Notwithstanding the foregoing, however, if the Company is excused from performing its obligations hereunder for any of the causes listed in this Section for a period of seven (7) days or more, the City shall nevertheless have the right, in its sole discretion, to terminate this Agreement by giving ten (10) days' notice, in which case the provisions relative to taking possession of the Company's land, equipment and other property and engaging the Company's Personnel in Article 10 and this Article 11 will apply.

11.5 Arbitration

Any dispute arising out of or relating to this Agreement, which dispute involves claims or controversies having no monetary value, or are in an amount or amounts, if combined, not exceeding \$25,000, shall be first mediated between the parties. The party making demand for mediation shall select a panel of three (3) mediators from those mediators listed and approved by the San Diego Superior Court, South Bay Judicial Branch, and the party not selecting the panel shall choose one (1) of the listed mediators who shall serve in that capacity. The parties shall share equally in the cost and expense of the mediation.

Any dispute arising out of or relating to this Agreement, which dispute involves claims or controversies, having a monetary value in an amount or amounts, if combined, not exceeding \$25,000, which dispute was not resolved by mediation as required herein, shall be decided by arbitration in accordance with the rules of the American Arbitration Association then pertaining, unless the parties agree otherwise and consent, in writing, to a different method of dispute resolution, including mediation or judicial arbitration.

Any dispute arising out of or relating to this Agreement, which dispute involves claims or controversies in an amount or amounts, if combined, exceeding \$25,000, shall not

involve arbitration, or any other method of dispute resolution, unless the parties agree otherwise and consent, in writing, but shall instead be brought in a court of competent jurisdiction in the County of San Diego, State of California.

Venue for any action, including those actions subject to arbitration, shall be San Diego County. Company hereby expressly waives any right to remove any such action to a County other than San Diego County otherwise provided by California Code of Civil Code of Civil Procedure Section 394.

Notice of the demand for arbitration is to be filed in writing with the other party to this Agreement and with the American Arbitration Association. The demand is to be made within a reasonable period of time after the claim, dispute, or other matter in controversy has arisen. In no event, however, is the demand for arbitration to be made after the date when institution of legal or equitable proceedings based on such claim, dispute or other matter in controversy would be barred by the applicable statute of limitations.

Any award rendered by the arbitrator shall be final and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.

11.6 Assurance of Performance

The City may, at its option and in addition to all other remedies it may have, demand from the Company reasonable assurances of timely and proper performance of this Agreement, in such form and substance as the City may require. If the Company fails or refuses to provide satisfactory assurances of timely and proper performance in the form and by the date required by the City, such failure or refusal shall be an event of default.

ARTICLE 12

OTHER AGREEMENTS OF THE PARTIES

12.1 Relationship of Parties

The parties intend that the Company shall perform the services required by this Agreement as an independent Company engaged by the City and not as an officer or employee of the City nor as a partner of or joint venture with the City. No employee or agent or Company shall be or shall be deemed to be an employee or agent of the City. Except as expressly provided herein, the Company shall have the exclusive control over the manner and means of conducting the Solid Waste Collection services performed under this Agreement, and all Persons performing such services. The Company shall be solely responsible for the acts and omissions of its officers, employees, Companies, Subcontractors, Affiliates and agents. Neither the Company nor its officers, employees, Companies, Subcontractors, Affiliates and agents shall obtain any rights to retirement benefits, workers' compensation benefits, or any other benefits which accrue to the City employees by virtue of their employment with the City.

12.2 Compliance with Law

In providing the services required under this Agreement, the Company shall at all times, at its sole cost, comply with all applicable laws and regulations of the United States, the State of California, and local agencies. The City shall comply with all applicable regulations promulgated by federal, state, regional or local administrative and regulatory agencies, now in force and as they may be enacted, issued or amended during the Term.

12.3 Governing Law

This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California.

12.4 Jurisdiction

Any lawsuits between the parties arising out of this Agreement shall be brought and concluded in the courts of the State of California, which shall have exclusive jurisdiction over such lawsuits.

With respect to venue, the parties agree that this Agreement is made in and will be performed in San Diego County.

12.5 Assignment

Except as may be provided for in Article 10 (the City's Right to Perform Service), neither party shall assign its rights, nor delegate, subcontract or otherwise transfer its obligations under this Agreement to any other Person without the prior written consent of the other party. Any such assignment made without the consent of the other party shall be void and the attempted assignment shall constitute a material breach of this Agreement.

For purposes of this Section when used in reference to the Company, "assignment" shall include, but not be limited to (i) a sale, exchange or other transfer of substantially all of the Company's assets dedicated to service under this Agreement to a third party; (ii) a sale, exchange or other transfer of outstanding common stock of the Company to a third party provided said sale, exchange or transfer may result in a change of control of the Company; (iii) any dissolution, reorganization, consolidation, merger, re-capitalization, stock issuance or re-issuance, voting trust, pooling agreement, escrow arrangement, liquidation or other transaction to which results in a change of Ownership or control of the Company; (iv) any assignment by operation of law, including insolvency or bankruptcy, making assignment for the benefit of creditors, writ of attachment for an execution being levied against this Agreement, appointment of a receiver taking possession of the Company's property, or transfer occurring in the event of a probate proceeding; and (v) any combination of the foregoing (whether or not in related or contemporaneous transactions) which has the effect of any such transfer or change of Ownership, or change of control of the Company.

The Company acknowledges that this Agreement involved rendering a vital service to the City's residents and businesses, and that the City has selected the Company to perform the services specified herein based on (1) the Company's experience, skill and

(

reputation for conducting its operations in a safe, effective and responsible fashion, at all times in keeping with applicable Environmental Laws, regulations and best Solid Waste management practices, and (2) the Company's financial resources to maintain the required equipment and to support its indemnity obligations to the City under this Agreement. The City has relied on each of these factors, among others, in choosing the Company to perform the services to be rendered by the Company under this Agreement.

If the Company requests the City's consideration of and consent to an assignment, the City may deny or approve such request in its complete discretion. No request by the Company for consent to an assignment need be considered by the City unless and until the Company has met the following requirements:

- a) The Company shall undertake to pay the City its reasonable expenses for attorney's fees and investigation costs necessary to investigate the suitability of any proposed assignee, and to review and finalize any documentation required as a condition for approving any such assignment;

On-Going Public Education - Details

EDCO Disposal Corporation has long recognized the importance of continual public education in support of community waste collection and recycling programs. EDCO's commitment to ensuring compliance with mandated diversion goals is demonstrated by the determined education campaign directed by the company which promotes recycling participation, educates against unlawful disposal of household toxic materials to protect the environment, and forms residents and businesses about ways to reduce and prevent waste. Much of this information is available, or can be produced, in bilingual form.

Residents and commercial businesses in each of the communities served by EDCO are informed about waste collection services, disposal regulations and recycling programs, community and environmental events (Community Clean-Ups, Earth Day, etc.) in a variety of ways:

- New customer information packets
- EDCO's community oriented Web Site
- Flyers distributed in curbside recycling bins
- School presentations & facility tours
- Attendance at community events
- EDCO's environmental newsletter
- Seasonal Web Site pages/banner scroll
- Billing inserts
- Presentations to service organizations
- Periodic recycling workshops

When introducing new collection services and/or programs within a community, EDCO Disposal Corporation develops an extensive public education program in cooperation with City staff. This public outreach is promoted in a variety of ways.

Introductory Brochure: (see examples: City of Signal Hill automated collection/single-stream recycling brochure and City of La Mesa automated waste collection and yard waste recycling brochure.)

An informative brochure (printed on recycled paper...naturally!) is produced for direct mailing to residents and businesses in order to introduce EDCO as a new service provider and/or to inform customers about amendments to existing collection services.

Press Releases: Local newspapers and community newsletters are provided with a complete description of any new services.

Community Workshops: Workshops are scheduled at community centers, such as the City of Imperial Beach Community Center (825 Imperial Beach Blvd.) and the Senior Citizens Center (1075 8th Ave.), in order to introduce and detail new services. When implementing a new program, such as single-stream recycling, a series of workshop events—3 as requested by the City—will inform attending members of the public about all aspects of the program. Community service organizations (local chapters of the Kiwanis, Lions Club, etc.), in addition to schools, are contracted to schedule presentations.

Quarterly Newsletter: EDCO presently distributes a quarterly newsletter, the *Environmental Times*, to all residential customers in each community served by the company. Commercial businesses receive a bi-annual newsletter, the *Business Edition Environmental Times*. These publications, which are printed on recycled paper, provide regular program updates, motivate customers to participate in recycling programs, encourage waste reduction and waste prevention, promote bulky item collection programs, advertise household toxic materials collection programs such as the used oil recycling program, inform customers about less-toxic alternatives to common household products and recognize exemplary recycling participation through a “Recycling Superstars” incentive program.

EDCO’s “Local Web Site: EDCO Disposal Corporation has developed a Web Site to supplement all other public education programs. The Web Site offers 24-hour access to information important to waste collection and recycling services, community and environmental events and holiday collection schedules. Links to other environmental sites, such as the *California Integrated Waste Management Board*, the *Use Less Stuff* waste reduction Internet Site and the *America Recycles Day* home page, are posted as a resource for teachers, or for Web Surfers interested in more detailed information. Customers can also e-mail requests for information about EDCO services and programs by using the “Contact Us” page.

Rather than being a showcase of the company’s corporate/industry status, EDCO’s Web Site seeks to inform and educate customers about topics that are locally important.

Other public education programs provided to EDCO customers include:

“How-To” Brochure: EDCO produces brochures to explain participation parameters to customers. All brochures are printed on recycled paper and offer an easy to follow explanation about weekly collection programs including: household waste collection, curbside recycling, yard waste recycling, multi-family community recycling, commercial business office paper recycling, waste reduction and prevention, etc.

Service Updates: Residents and businesses are informed about changes to collection programs through a variety of methods that have been previously discussed. EDCO collection drivers also carry “reminder tags” which are placed on disposal or recycling collection containers when customers fail to follow set-out rules or place materials in an incorrect container.

Throughout the year, informational flyers are produced to promote community events, such as bulky item collection programs, regional household toxic materials and local used oil recycling programs, Christmas tree recycling information and holiday service reminders. Flyers are produced in bilingual form and are all printed on recycled paper. Informational flyers are distributed in curbside recycling containers after collection and/or are mailed to customers as a billing insert.

Public Tours of Recycling Centers: Interested members of the community – schools, community service organizations, Scout troops, etc. – can arrange to tour EDCO recycling facilities by contacting the company’s Director of Public Affairs. Tours are arranged on a flexible schedule and serve to promote recycling education and participation.

“Recycling Superstars” Program: Residential customers who are exemplary recyclers will be recognized in EDCO’s quarterly newsletter as a “Recycling Superstar” (see examples of newsletter articles, provided, recognizing EDCO’s “Recyclers of the Quarter.”)

Incentive prizes will be offered to encourage residents to participate each collection week.

Used Oil Recycling Education: EDCO distributes informational flyers on a regular basis in order to inform residents about used oil recycling programs in each community. Flyers are printed on recycled paper and are distributed in curbside recycling bins or as billing inserts. Regular articles in EDCO’s newsletter, the *Environmental Times*, promote local used oil recycling programs and encourage the use of re-refined oil.

EDOC-distributed flyers and newsletter articles have historically been a prominent source of education for past County-run household hazardous waste and used oil collection events. Data compiled by San Diego County Staff after each collection event showed that the events were well attended by residents living in cities served by EDCO, and that the

(

(

main source of notification about the event for these residents was information distributed by EDCO.

Section 2. TERM OF AGREEMENT.

A. Section 2.4 of the agreement is amended to read as follows:

"The term of this Agreement shall commence on January 1, 2003, and expire December 31, 2007; provided, however, that commencing January 1, 2004, and every year thereafter, automatic one-year extensions shall be applied to said Agreement, so that the term of the Agreement shall remain between four (4) and five (5) years.

"Should either party desire that said automatic one-year renewal and extension provision be terminated, such party may give the other written notice of such termination within thirty (30) days prior to January 1 of any year of the Agreement. Such notice will terminate the automatic one-year renewal and extension provision, and the Agreement shall remain in effect for the balance of the term then outstanding."

B. Section 2.5 of the agreement is repealed.

Section 3. DEFERMENT OF FEE ADJUSTMENT.

The requirement in Section 3.1.4 of the agreement, that the franchise fee be adjusted annually on January 1 of each year, does not apply to January 1, 2003. The unforeseen state-mandated tipping fee imposed by the California Integrated Waste Management Board and applicable changes in the Producer Price Index will be incorporated into a planned fee adjustment, which will become effective January 1, 2004.

Section 4. ENTIRE AGREEMENT.

This document sets forth the entire understanding of the parties regarding the term of the agreement and the deferment of the fee adjustment for January 1, 2003. All other agreements and understandings are superseded and do not affect this document in any way.

**AMENDMENT NO. 2 TO INTEGRATED SOLID WASTE MANAGEMENT
SERVICES AGREEMENT WITH
EDCO DISPOSAL CORPORATION**

This Amendment No. 2 is entered into by the City of Imperial Beach ("City") and EDCO Disposal Corporation ("EDCO") (collectively "Parties") and effective the 26th day of March, 2008.

RECITALS

A. The City entered into a franchise agreement with EDCO for integrated solid waste management services ("the Agreement") on August 4, 1999.

B. Amendment No. 1 to the Agreement effective the 20th day of November 2002 modified the term of the Agreement as authorized in Resolution 2002-5713.

C. The Parties are executing this Amendment No. 2 to the Agreement in accordance with Resolution 2007-6544, which authorized a change in the Rate Year period from calendar year (January 1 to December 31) to fiscal year (July 1 to June 30).

NOW, THEREFORE, the Parties hereto mutually covenant and agree with each other as follows:

Section 1. The definition of "Rate Year" in Section 1.35 of the Agreement is amended to read as follows:

After January 1, 2008, "Rate Year" means the period July 1 to June 30.

Section 2. Article 6, Company Compensation and Rates, Section 6.3, Schedule of Future Adjustments, of the Agreement is amended to add the following text after the existing paragraph:

Notwithstanding the foregoing paragraph, beginning with Rate Year 9 (July 1, 2008 to June 30, 2009) and for all subsequent Rate Years the Company may request an annual adjustment to the maximum rates shown in Exhibit 4 based on the State Fiscal Year time periods. The Company shall submit its request in writing, to be received by the City in person or via certified mail, by March 1, of the same year based on the method of adjustment described in Section 6.4. Failure to submit a written request by the March 1 of the current Rate Year, shall result in the Company waiving the right to request such an increase for the subsequent Rate Year.

If City determines that a public hearing is required, the Company shall, at its sole expense, provide written notices by mail of the proposed rate increase to all affected property owners (typically Customers). The notice of the proposed rate increase shall specify the amount of the proposed fee or charge, the basis upon

which it is calculated, the reason for the increase, and the date, time, and location of the public hearing on the proposed rate increase. The Company may include the costs for providing the required notices in its rate adjustment request, based on the method of adjustment in Section 6.4.

Section 3. The first paragraph of Section 6.4.1, General, of the Agreement is amended to read as follows, with deletions shown in strikeout and additions shown in underlined text:

Pursuant to Section 6.3, the Company may request an annual adjustment to the maximum rates according to the method described below and the formulas shown in Exhibits 5A, 5B, and 5C, ~~subject to review and approval of the City.~~ Adjustment to the maximum rates is subject to review by the City and contingent upon the absence of majority protest by affected property owners at the public hearing held in accordance with Section 6.3. All future adjustments are to be effective January 1, ~~except after January 1, 2008, all adjustments are to be effective July 1,~~ and shall be based on the rates in Exhibit 4.

Section 4. Section 6.4.2, Single Family Dwelling Unit and Commercial and Industrial Property Customers, of the Agreement is amended as follows:

A. Add the underlined text to Step One: "Determine the rate revenue net of Franchise Fees by deducting the Franchise Fee portion from actual gross rate revenues for the twelve month period ending on the most recent June 30th, except after January 1, 2008 the gross rate revenues will be based on the twelve month period ending the most recent December 31."

B. Add the underlined text to the second sentence in Step Three: "The change in PPI shall be for the twelve month period ending on the most recent June 30, except after January 1, 2008 the twelve month period will be ending on the most recent December 31."

Section 5. Section 6.4.3, Rolloff, of the Agreement is amended as follows:

A. Add the underlined text to Step One: "Calculate the percent change in the PPI for the twelve month period for the most recent twelve months ending on the most recent June 30, except after January 1, 2008 the gross rate revenues will be based on the twelve month period ending the most recent December 31."

Section 6. Article 6 is amended by adding Section 6.4.4, Noticing Costs, as follows:

The Company may recover its costs incurred in providing public notices pursuant to Section 6.3. The request to recover noticing costs shall be made as a part of

the Company's request for annual adjustment of the maximum rate. Noticing costs shall be apportioned equally among all Customers and shall be recovered within a single Rate Year; at the end of the Rate Year, the maximum rate shall be reduced by the amount of the noticing costs.

As part of its request, the Company shall prepare a schedule documenting the noticing costs and provide supporting information. The City shall review the request and, in its sole judgment, make the final determination on the appropriate amount of the adjustment.

Section 7. ENTIRE AGREEMENT.

This document sets forth the entire understanding of the Parties regarding Company Compensation and Rates and all prior negotiations and agreement are merged herein. SERVICES AGREEMENT WITH
EDCO DISPOSAL CORPORATION**

This Amendment No. 3 is entered into by the City of Imperial Beach ("City") and EDCO Disposal Corporation ("EDCO") (collectively "Parties") and effective the 18th day of June, 2009.

RECITALS

A. The City entered into a franchise agreement with EDCO for integrated solid waste management services ("the Agreement") on August 4, 1999.

B. Amendment No. 1 to the Agreement effective the 20th day of November, 2002 modified the term of the Agreement as authorized in Resolution 2002-5713.

C. Amendment No. 2 to the Agreement effective the 26th day of March, 2008 modified the Rate Year of the Agreement as authorized in Resolution 2007-6544.

D. The Parties are executing this Amendment No. 3 to the Agreement in accordance with Resolution 2009-6749, which authorized a change in the Franchise Fee amount and adjustment.

NOW, THEREFORE, the Parties hereto mutually covenant and agree with each other as follows:

Section 1. Section 3.1.1, Franchise Fee Amount, of the Agreement is amended in its entirety to read as follows:

"In consideration of the exclusive Franchise provided in Section 2.1 of this Agreement, the Company shall pay to the City a Franchise Fee equal to 10% of the Company's Gross Receipts from its operations in the City. The annual Franchise Fee paid to the City shall not be less than the sum of a base amount of \$160,000 plus 10% of Gross Receipts for the Company's Rolloff Box service in the City. The base amount of \$160,000 and the Franchise fee, shall be adjusted as described in Section 3.1.4.

Notwithstanding the foregoing paragraph, the annual Franchise Fee paid to the City for Rate Year 10 (July 1, 2009 through June 30, 2010), shall be equal to 30% of the Company's Gross Receipts from its operations in the City, but in no event less than the sum of a base amount of \$160,000 plus 30% of Gross Receipts for the Company's Rolloff Box service in the City. The annual Franchise Fee paid to the City for Rate Year 11 (July 1, 2010 through June 30, 2011), shall be upto 36% of the Company's Gross Receipts from its operations in the City, but in no event less than the sum of a base amount of \$160,000 plus 30% of Gross Receipts for the Company's Rolloff Box service in the City. The

annual Franchise Fee paid to the City for Rate Year 12 (July 1, 2011 through June 30, 2012), and all subsequent years, shall be upto 42% of the Company's Gross Receipts from its operations in the City, but in no event less than the sum of a base amount of \$160,000 plus 30% of Gross Receipts for the Company's Rolloff Box service in the City."

Section 2. The first paragraph of Section 3.1.4, Adjustment to Franchise Fee, of the Agreement is amended in its entirety to read as follow:

"The base amount of \$160,000 described in Section 3.1.1, on which the minimum amount of Franchise Fees is determined, shall be adjusted annually each January 1st beginning January 1, 2002, based on the change in the Producer Price Index. The percentage change in the PPI that is applied to the Franchise Fee shall be equal to the percentage change in PPI that is used to adjust the Company's rates as described in Section 6.4. Notwithstanding the foregoing, beginning July 1, 2009, and all subsequent years, the base amount of \$160,000 described in Section 3.1.1, on which the minimum amount of Franchise Fees is determined, shall be adjusted annually each July 1st, based on the change in the Consumer Price Index (All Urban Consumers for the Los Angeles-Anaheim-Riverside Area) ('CPI'). The percentage change in the CPI that is applied to the Franchise Fee shall be equal to the percentage change in CPI that is used to adjust the Company's rates as described in Section 6.4"

Section 3. Adjustment of Franchise Fee.

Company and City agree that for any Rate Year that requires a Franchise Fee adjustment pursuant to Section 3.1.4, Section 6.4.2 shall require an Interim Step Six and Section 6.4.3 shall require an Interim Step Three for calculation of the maximum rates in accordance with the example calculation shown on Exhibit 5D, attached hereto.

Section 4. Section 6.4.1, General, of the Agreement is amended in its entirety to read as follows:

"Pursuant to Section 6.3, the Company may request an annual adjustment to the maximum rates according to the method described below and the formulas shown in Exhibits 5A, 5B, and 5C. Adjustment to the maximum rates is subject to review by the City and contingent upon the absence of majority protest, if applicable, by affected property owners at the public hearing held in accordance with Section 6.3. All future adjustments are to be effective January 1, except after January 1, 2008, all adjustments are to be effective July 1, and shall be based on the rates in Exhibit 4.

If the Company owns or operates the Disposal Site, or the Disposal Site is owned or operated by an Affiliate of the company, the adjustment to the disposal component of the rates shall be limited to the change in the following: (1) PPI prior June 30, 2009, or (2) the CPI beginning on July 1, 2010, and all subsequent

years. This limitation shall not apply to changes in tipping fees resulting from changes in fees, taxes, or surcharges levied by governmental or regulatory agencies."

Section 5. Deferment of Annual Adjustment to Refuse Disposal Tipping Fee and Maximum Rates.

Company agrees that the maximum rates for the refuse disposal tipping fee, Single-family Dwelling units, Commercial and Industrial Property, and the maximum load charges, delivery charges, and overweight charges for rolloff customers shall not be adjusted as required in Section 6.4, Method of Adjustments, of the Agreement for Rate Year 10 (July 1, 2009 through June 30, 2010).

Section 6. Step Three of Section 6.4.2, Single Family Dwelling Unit and Commercial and Industrial Property Customers, of the Agreement is amended in its entirety to read as follows:

"Step Three

- 1) Calculate the percentage change in the Producer Price Index (PPI), and the percentage change in the refuse disposal tipping fee per ton. The change in PPI shall be for the twelve month period ending on the most recent June 30, except after January 1, 2008 the twelve month period will be ending on the most recent December 31. Beginning with Rate Year 11 (July 1, 2010 through June 30, 2011) and for all subsequent Rate Years, calculate the percentage change in the national Consumer Price Index (All Urban Consumers for the Los Angeles-Anaheim-Riverside Area) ('CPI'), and the percentage change in the refuse disposal tipping fee per ton. The change in CPI shall be for the twelve-month period ending on the most recent December 31.
- 2) The change in the refuse disposal tipping fee shall be based on the change between the most recent tipping fee on which rates are based and the new tipping fee; provided, however that the cumulative change in the tip fee over the term shall not exceed the change in the CPI. Notwithstanding the foregoing, the change in the refuse disposal tipping fee for Rate Year 11 (July 1, 2010 through June 30, 2011), and only for Rate Year 11, shall be based on the change for the most recent tip fee for Rate Year 10 plus the most recent tip fee for Rate Year 11.
- 3) This Company guarantee excludes any unforeseen government mandated fees or extraordinary cost elements over the life of this Agreement."

Section 7. Step Four of Section 6.4.2, Single Family Dwelling Unit and Commercial and Industrial Property Customers, of the Agreement is amended in its entirety to read as follows:

"Step Four – Calculate the weighted percent change in maximum rates by:

- 1) Multiplying the refuse disposal component as a percent of rate revenue net of franchise fees by the percent change in the refuse disposal tipping fee;
- 2) Multiplying the service component as a percent of rate revenue net of franchise fees by the percent change in the CPI; and
- 3) Adding the results of 1) and 2) above to determine the weighted percent change in rates."

Section 8. The last paragraph of Section 6.4.2, Single Family Dwelling Unit and Commercial and Industrial Property Customers, of the Agreement is amended in its entirety to read as follows:

"Step Five – Multiply one plus the weighted percent change in maximum rates by the then existing maximum rates to derive the newly adjusted maximum rates.

In the event that the current percentage change in the CPI is negative, the existing rates shall not be then adjusted downward as a result. Instead, the rate adjustment shall be held in abeyance until the CPI increases in the future to the extent that the cumulative change in the CPI since the last periodic rate adjustment is positive. At that time, the service component of the rates shall be adjusted based on the cumulative percentage change in the CPI since the last periodic rate adjustment."

Section 9. Step One of Section 6.4.3, Rolloff, of the Agreement is amended in its entirety to read as follows:

"Step One -- Calculate the percent change in the PPI for the twelve month period for the most recent twelve months ending on the most recent June 30, except after January 1, 2008 the gross rate revenues will be based on the twelve month period ending the most recent December 31. Beginning with Rate Year 11 (July 1, 2010 through June 30, 2011) and for all subsequent Rate Years, calculate the percent change in the CPI for the twelve month period for the most recent twelve months ending on the most recent December 31."

Section 10. Step Two of Section 6.4.3, Rolloff, of the Agreement is amended in its entirety to read as follows:

"Step Two – Multiply one plus the percent change in CPI by the then existing maximum rates to derive the newly adjusted rolloff rates."

Section 11. The last paragraph of Section 6.4.3, Rolloff, of the Agreement is amended in its entirety to read as follows:

"In the event that the current percentage change in the CPI is negative, the existing rates shall not be then adjusted downward as a result. Instead, the rate adjustment shall be held in abeyance until the CPI increases in the future to the extent that the

cumulative change in the CPI since the last periodic rate adjustment is positive. At that time, the service component of the rates shall be adjusted based on the cumulative percentage change in the CPI since the last periodic rate adjustment."

Section 12. Exhibit 5A, Example Rate Adjustment – Single Family Residential Rates, is amended, effective July 1, 2009, such that all references to "Producer Price Index" shall be deemed to refer to "Consumer Price Index (All Urban Consumers for the Los Angeles-Anaheim-Riverside Area)," and all references to "PPI" shall be deemed to refer to "CPI."

Section 13. Exhibit 5B, Example Rate Adjustment – Commercial and MFR Bin Rates, is amended, effective July 1, 2009, such that all references to "Producer Price Index" shall be deemed to refer to "Consumer Price Index (All Urban Consumers for the Los Angeles-Anaheim-Riverside Area)," and all references to "PPI" shall be deemed to refer to "CPI."

Section 14. Exhibit 5C, Example Rate Adjustment – Rolloff Rates, is amended, effective July 1, 2009, such that all references to "Producer Price Index" shall be deemed to refer to "Consumer Price Index (All Urban Consumers for the Los Angeles-Anaheim-Riverside Area)," and all references to "PPI" shall be deemed to refer to "CPI."

Section 15. ENTIRE AGREEMENT.

This document sets forth the entire understanding of the Parties regarding Company Compensation and Rates and all prior negotiations and agreement are merged herein. This Amendment No. 3 affects only those sections of the Agreement referred to, and all other terms and conditions of the Agreement remain in full force and effect.
